BULLDOG FOOTBALL WANTS YOU !

Team Parents.....Sign up Now!

Each Bulldog Football team is looking for a dedicated volunteer to be the Team Parent. The key role for the Team Parent is to provide a communication channel between the Bulldog board, coaching staff and the parents and to organize the volunteers needed for each game for their team. If you choose this role you will be a vital part of your team's success.

Key Responsibilities:

- Provide the team with information via email lists or handouts of the schedule and roster. It is also important to provide directions to the away games along with required arrival time. It is always nice to provide a weekly update from the coaching staff. This keeps everyone moving in the same direction.
- Set up parent volunteers at Home Games for pre-game set up and post game clean up, chain gang volunteers and concession volunteers.
- Handout correspondence from the league and collect information, order forms, evaluation forms, etc., to get back to the appropriate league representatives.

Please work with your coaching staff to determine the exact role they want you to play. Remember – you are the key liaison between the league, coaching staff and the parents. Let's keep everyone informed and working together for our kids.

While more than one parent may volunteer to help with the team, only one will be chosen to serve as the league's liaison to work with our Team Parent Coordinators. Coaches will have preference as to whom they would prefer to work with.

I would like to sign up to help my child's team as a team parent (or grandparent, aunt, uncle, brother, etc.....):
